Michigan eLibrary
Brought to you by the Library of Michigan & MCLS

If you can hear the music or the presenter through your speakers/headphones, your audio is configured properly. If you can not hear, please try the following:

1. Adjust the volume of your computer.
2. Click on **"Meeting"** in upper left-hand corner and choose **"Audio Setup Wizard"** and move through the steps to connect for audio.
3. You may encounter a small Adobe window opening on your screen, click the **green "Allow"** button to enable your speakers or device.
4. Log out and back in if these steps do not help or review the troubleshooting tips in the login email you received this week.

Attendees can use the Text Chat and Question box to ask questions.

Participant Feedback--To the right of the microphone is icon of a person with a raised hand – click on the down arrow to see other options. When you need to clear your status click the down arrow again and go to the bottom of the list and click **"Clear Status."** **You can use this to answer yes or no to presenter questions.**

Troubleshooting Tips: *Check the main volume control for your computer to make sure it is not set low or muted. You can access this control on a Windows operating system by clicking on the Speaker icon on the lower right hand corner tray of options. *If you continue to have trouble with the audio try to exit the meeting and log back into the meeting. *Be sure to turn off your pop-up blocking software.

The audio portion of the webinar is provided using Voice Over Internet Protocol, VoIP.

Telephone audio is NOT provided. Attendees need to use their computer speakers or headphones to hear the audio.

This project is supported by the Library of Michigan with federal funds from the Institute of Museum and Library Services.

My favorite tools for Readers' Advisory

The Reading Zone was designed for teens. I like to tweet out the URL and post it on our school (or library) FaceBook page.

If teens don't want to ask for suggestions, it's important that they know where to go.

Michigan Thumbs UP! Award

- Great display idea
- Michigan award
- Includes teen librarians and teen readers
- Quick list for book suggestions
- Librarians can consider the list of books for a local Battle of the Book event

THUMBS UP! AWARD

The purpose of the award is to recognize and promote an outstanding contribution to teen literature that has both literary quality and teen appeal for those 13 to 18 years of age. The Thumbs Up! Award was established in 1986 by the Teen Services Division of the Michigan Library Association. Since 2001, the selection process has also included a teen vote.

Teen Vote for 2018 Thumbs Up! Award is Open Now Through May 31

We are pleased to announce the top ten titles for the 2018 Thumbs Up! Award. A group of youth and teen librarians worked throughout the year to read from a list of more than 150 titles to identify the top selections using the following criteria: story, setting, theme, voice, accuracy, style, characters and design.

Now it's time for the teens to vote! Through May 31, teens aged 13 to 18 can vote online for their favorite book from the [top ten titles \(PDF\)](#). Distribute the top ten list to your teen patrons and encourage them to vote. Please also consider posting a direct link to the survey on your own library website (<https://www.surveymonkey.com/r/2018ThumbsUpTeenVote>). Voting can be done online from home or from the library through May 31, 2018. The winner of the Thumbs Up! Award and honor books will be announced at the MLA 2018 Annual Conference in Novi this October.

2017 Thumbs Up! Award Winner – *The Serpent King*

The Michigan Library Association (MLA) is pleased to announce that *The Serpent King* by Jeff Zentner, published in 2016 by Tundra Books, is the winner of the 2017 MLA Thumbs Up! Award.

In *The Serpent King*, Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is

NoveList is my favorite MeL resource. If you are tempted to read GoodReads or Amazon reviews for patrons, I would start with NoveList, so you get professional reviews first. Then compare it to publicly written reviews.

These lists will be very handy for summer reading programs for both school and public libraries.
