MCLS launches new Training & Events registration system

Starting June 1, 2021, MCLS will be moving to a new training, workshops, and events registration system, Corsizio. We believe you will find the system to be user-friendly and that it will continue to provide all the benefits of our current system. One feature of the change is that you will no longer need to be logged in to your MCLS account in order to register for training. All of our MCLS member and non-member libraries are pre-loaded, and you will simply select your institution during registration. Your member status will be listed, and you'll be able to choose between Bill My Institution or Credit Card Payment options. Also, the option to register as a Guest and pay by credit card online is still available. The link to access our Training Store will be the same as it is today: *https://store.mcls.org* If you have any questions, please contact Gwen at *training@mcls.org* or (800) 530-9019 ext 404.

HAVE A GREAT WORKSHOP IDEA?
WANT TO TEACH FOR MCLS?

Do you have a great idea that you would like to see become a workshop? Are you interested in teaching for MCLS? Visit *mcls.org/training-events* to download the MCLS New Workshop Proposal form or Instructor Application.

MCLS membership opens the door to training, services, and group purchasing opportunities that can be customized to benefit any member library in Indiana or Michigan. MCLS is a trusted source that keeps you abreast of the latest trends in libraries, negotiates with vendors for your benefit, and provides excellent support whenever needed. With additional benefits including discounts for library supplies such as Brodart, The Library Store, and more, membership pays for itself.

Introduction to Soft Skills workshops to be offered asynchronously

Starting this Training Semester, MCLS will begin launching our Introduction to Soft Skills workshops in a new format via Niche Academy, designed for asynchronous viewing on-demand rather than as recordings of live webinars. This change in format will provide our participants the convenience to complete the workshops on their own schedule, in segments. They will be rolled out gradually over the next few semesters, with at least one being available later in this semester. Until all six current Introduction to Soft Skills workshops are ready in the new format, the previously recorded sessions will remain in our store, so all topics will continue to be available to you. If you have any questions, please contact Gwen at *training@mcls.org* or (800) 530-9019 ext 404.
