HAVE A GREAT WORKSHOP IDEA? WANT TO TEACH FOR MCLS?

MCLS strives to provide library employees with knowledge about current technology and trends affecting the world of libraries. In keeping with this goal, MCLS is always looking to expand the catalog of training opportunities that we provide for our members.

Do you have a great idea that you would like to see become a workshop? Are you interested in teaching for MCLS? Visit mcls.org/training-events to download the MCLS New Workshop Proposal form or Instructor Application.

MCLS membership opens the door to training, services, and group purchasing opportunities that can be customized to benefit any member library in Indiana or Michigan. MCLS is a trusted source that keeps you abreast of the latest trends in libraries, negotiates with vendors for your benefit, and provides excellent support whenever needed. With additional benefits including discounts for library supplies such as bibliotheca, Brodart, The Library Store, and more, membership pays for itself.
