The remaining policies will remain with their current Board member assignment.

C. Audit Committee appointments
Mitchell reviewed the duties of the audit committee. Mitchell appointed Davis, Gallagher, and Helmen. Davis volunteered to chair the committee.

D. Nominating Committee appointments
According to our bylaws, Stringfellow, as vice-chair, will chair the Nominating Committee. This year the expiring terms include Michigan Special Library representative, Michigan Academic Library representative, Indiana At-large Representative, and Indiana Public Library representative. Mitchell appointed Shaw and Skib to serve with Stringfellow.

E. Board vacancy
Mitchell reported that Hauser has resigned from the Board. After discussion, Matteson and Mitchell will contact a librarian at Kalamazoo Public Schools, who is a professional colleague of Matteson, about completing the remainder of Hauser’s term.

F. Review of Policy 4.5 – Executive Director’s Compensation & Benefits
Mitchell reviewed the process for the Executive Director’s annual review that is found in Policy 4.5 and noted that it has not been strictly followed in the past. Prior to the beginning of the annual retreat, Mitchell will share information about the Executive Director’s monitoring report submissions and recommendations for compensation changes. This will allow Board members to have time to review the recommendations before the Board meeting.

IV. Ends Development

A. By-laws amendments
Due to the changes to the Michigan Nonprofit Act, we need to update to our bylaws to reflect changes to the law. Mitchell reviewed the amendments that were recommended by MCLS’s attorney. After discussion, Mitchell appointed Gallagher, Davis, Matteson to serve on a task force to review the bylaws, recommend amendments, and report back to the Board at the May meeting.

B. 2016 Annual Meeting Planning Committee report
Mitchell and Dykhuis reviewed plans for the 2106 Annual Meeting, which will be held on Nov 18. The plan is to hold the meeting at three sites, which will be linked by videoconference equipment. The sites will be Indianapolis, Lansing, and Marquette. Dykhuis discussed the tentative agenda, and the Board will refine the agenda at the August meeting.

C. Ownership Linkage Planning Committee
Garrison discussed the work done by the Ownership Linkage committee. The committee would like to distribute a survey to owners, i.e. MCLS members, to assess how well the Ends reflect the owner’s expectations, needs, and desires. The committee would like survey results prior to the May board meeting. They believe the survey can be ready to send by the end of March, with an April deadline. Results can be shared at the May Board meeting. Following the survey, the committee would like
to schedule online forums to have real-time discussions with owners. Together with the information gained from the community conversations, this data will help the Board assess whether the current Ends continue to serve MCLS well, as well as point to activities at the annual meeting in November. Garrison will continue to work with the committee and staff to release the survey and schedule the online follow-up.

V. Board Self-Assessment
The board assessed the meeting.

VI. Adjournment
The meeting adjourned at 2:24 pm.
