Licensee Information:

Customer and Licensees will supply Licensor with an initial list of its IP addresses used for the access to the Content (if not already supplied to Licensor) prior to the Commencement Date, and shall notify Licensor of any IP address changes. Licensor reserves the right to confirm accuracy of the IP address(es) supplied before grant of access. Notwithstanding anything to the contrary in this License Agreement, notifications of IP address changes may be made in electronic format. Licensor's obligation to timely provide access to the Content under this License Agreement is conditioned on Licensee's provision of its IP addresses.

Product Terms**Single Title Journal Subscriptions and Legacy Sets
(Springer, Adis, Palgrave Macmillan, Academic journals on nature.com)****1. Term and Access Rights**

- 1.1 The Term shall begin on 1st January 2021 (the “Commencement Date”) and shall end on 31st December 2023.
- 1.2 Continuing Access Journals: During the Term, Licensee shall have access to the Continuing Access Journals listed in Section 3.1 first published during the Term. After the Term, Licensee shall have Continuing Access to the Continuing Access Journals first published during the Term, subject to all the terms and conditions of this License Agreement.
- 1.3 Access Only Journals: During the Term only, Licensee will be granted access to the Access Only Journals listed in Section 3.2 first published during the Term.
- 1.4 Backfile Access During the Term: In addition, during the Term only, Licensee will be granted access to the Content of titles listed in Sections 3.1 and 3.2 published beginning the later of (a) 1997 (b) the first date of publication or (c), the date on which Licensor first acquired publication rights.
- 1.5 A Licensee may opt out of this License Agreement due to unexpected severe financial difficulties by giving Licensor notice in writing including the reasons for opting-out, by October 31st with effect for January 1st of the following year. The share of the terminating Licensee will be deducted from the base value. In case the Licensee does not terminate on time, it will not receive a refund of its share for the following Term. If the share of the base value (the minimum electronic-only fee) of the Licensee(s) represent more than 10% of the annual License Fee, Licensor has the right to renegotiate the terms of this License Agreement.
- 1.6 In the event that a Licensee opts out of the License Agreement pursuant to Section 1.5 above, Licensor may, at its discretion, restore that Licensee's access to Content and allow the Licensee to opt back into the License Agreement provided that the Licensee pays any License Fee(s) owed for its access to Content and subject to the provisions of Section 2.2 of the License Details.

2. Cessation of Publication / Transfer / Take-Over

- 2.1 Cessation of Publication of Continuing Access Journals During the Term If Licensor ceases to publish new Content for 3% or more of the Continuing Access Journals during any calendar year of the Term, whether because Licensor ceases to have publishing rights or because Licensor ceases to publish those Continuing Access Journals, upon Licensee's written request, Licensor will, at Licensor's sole option, offer to Licensee:
- (1) access to additional Content not presently licensed to Licensee with an approximate value equal to or greater than the value at the date of cessation of the Content associated with the discontinued Continuing Access Journals that was to be published from the date of cessation of publication through the end of the Term, or

- (2) a credit toward any future acquisition of a Product in the same value as that mentioned in part (1) above.

The value to be applied for additional Content or a credit will be determined by Licensor in good faith, taking into account factors which may include, without limitation, number of articles, number of pages, impact factor, usage factor, and list price of the Content in question, or any other formula including any or all such factors that allows Licensor to calculate the value of the lost Content as a percentage of the Continuing Access Journals under the License.

- 2.2 **Transfer of Publishing Rights to Continuing Access Journals** If Licensor's publishing rights to a Continuing Access Journal are transferred to another publisher or entity at any time during or after the Term, Licensor will use reasonable efforts to provide Licensee with Continuing Access to the Content of that Continuing Access Journal published by Licensor during the Term, either (a) online on the Platform, (b) online on the new publisher's website, or (c) offline by providing the same on a digital storage medium. In case of (c) above, use of the Continuing Access Journal shall be subject to the terms of this License Agreement, except for Sections 4.3 and 4.4 of the General Terms and Conditions.

- 2.3 If Licensee subscribes to one or more journals from a third-party publisher which are acquired by Licensor during the Term (the "Take-Over Journals"), the Take-Over Journals may be added, in Licensor's sole discretion, to this License Agreement after expiration of Licensee's subscription with the third-party publisher, to the extent Licensor's acquired rights in the Take-Over Journals permit. The current year list price of the Take-Over Journals will be added to the License Fee.
